WORKBOOK

# ABOUT US

With Stedman® you choose our experience and our customer service but more importantly you choose our core values: quality, ethics, eco-friendliness and responsible manufacturing.

Find out more about our values on [stedman.eu/sustainability](https://stedman.eu/sustainability)

#### OEKO-TEX® STANDARD 100

Our textile articles and components have been tested for harmful substances and are therefore harmless for human health, assuring high product safety.

#### ORGANIC COTTON

Our certified organic cotton guarantees that it is grown sustainably and can be tracked from the source to the final product.

#### RECYCLED MATERIAL

Our sustainable polyester made from recycled plastic bottles offers high-quality characteristics but with a smaller environmental footprint, keeping plastics from going to landfills and our oceans.

#### PETA - APPROVED VEGAN

We do not use animal products. Our clothing & accessories are made of vegan alternatives to animal-derived materials such as leather, fur, silk, feathers, or bone.

#### STEDMAN® PROOFED QUALITY

All our articles are subject to strict quality controls. With our own quality management team on site, we ensure that our high demands on material and product properties are always met.

#### AMFORI

Member of amfori, the leading global business association for open and sustainable trade. We improve the social performance of our supply chain via amfori BSCI.

You can download the digital Stedman® catalogue, colour card, product sheets and more at: [stedman.eu/tools](https://stedman.eu/tools)

New style!

# CLASSIC SWEATSHIRT

## ST4300

Stedman's brand-new Classic Sweatshirts offer a soft cotton surface to provide excellent print results, making them perfect for showcasing your designs. Crafted to retain their vibrant colours and shapes even after many wash cycles, they ensure lasting quality and style.

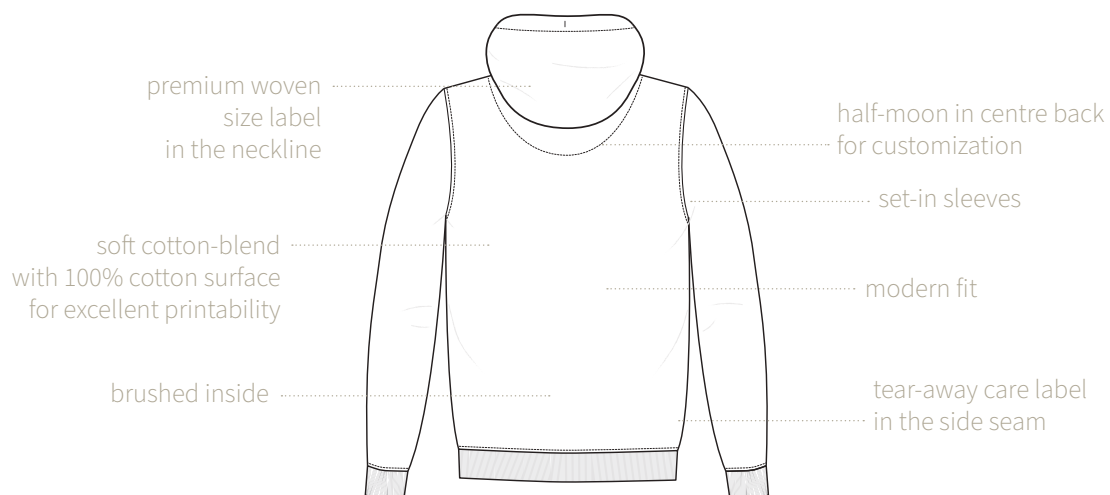

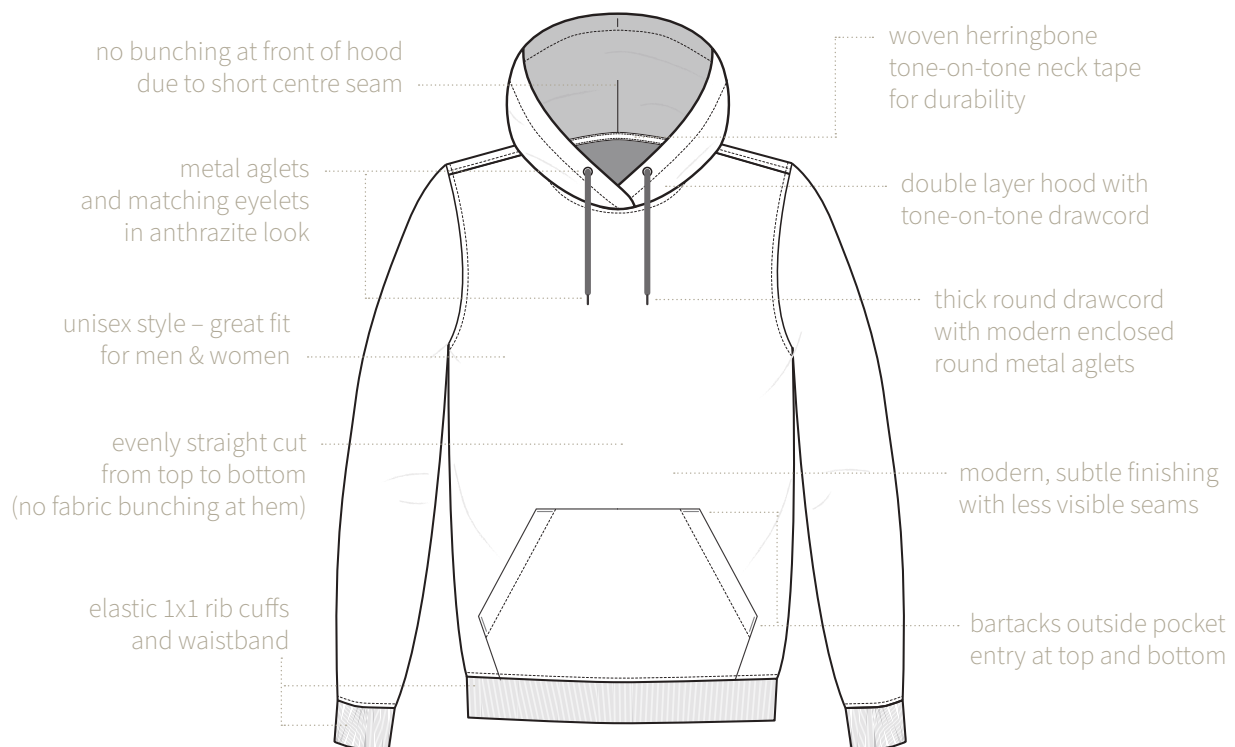

New style!

# CLASSIC SWEAT HOODIE

## ST4400

Our brand-new Classic Hoodies offer a unisex fit with a straight cut for a sleek, modern look. Made from a soft cotton-blend with a 100% cotton surface, they ensure excellent printability. Features include subtle seam finishing and thick round drawcords with modern enclosed metal aglets for a polished touch. Perfect for both men and women!

velvety and durable fabric with a sophisticated knit look

tone-on-tone woven herringbone tape on full neckline and inner hood seams for a clean, premium look

extra zipper puller in center front

excellent heat insulation

tone-on-tone elastic binding on hood opening, sleeves and bottom hem for maximum comfort and fit

half-moon in centre back for customization (in tricot fabric for printability)

3-piece-hood with centre strip for a great fit

premium woven size label in the neckline

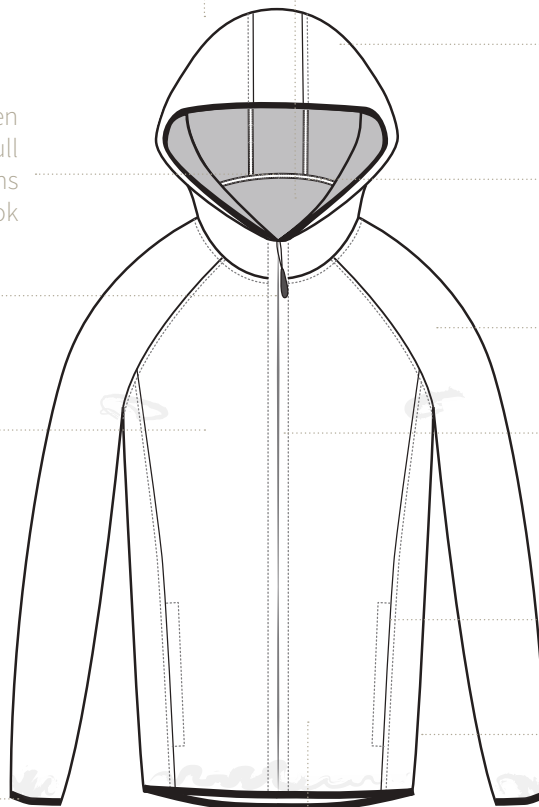

raglan sleeves

hidden, high-quality SBS-zippers for pockets and center front

2 side pockets with zippers

tear-away printed paper care label in the side seam

warm and stretchy knit fleece fabric with anti-pilling finishing and a soft brushed inside

New style!

# HOODED KNIT FLEECE JACKET

ST5460 / ST5560

Our new Hooded Knit Fleece Jackets offer warmth, durability and style. Velvety, anti-pilling knit fleece with a soft brushed inside ensures excellent heat insulation and comfort.

A sophisticated knit look and tone-on-tone herringbone tape add a clean, premium finish.
